Death in Philadelphia of the Husband of Mrs. Sharp.

EAGLES' BAZAAR A SUCCESS

Richmond Eagles With Bijou Actors to Be Over To-Night.

Manchester Bureau, Times-Dispatch. No. 102 Hull Street. News was received here yesterday afternoon of the death in Philadelphia of Mr. Harry Dockie, who a few weeks ago married Miss Anne Sharp, of this city. Death was due to tuberculosis from which Mr. Dockie had suffered for several months.

Miss Sharp disappeared from her home, Trent and Hill streets, about three weeks ago, and when heard from it was through a letter, stating that she had been married in Philadelphia. Her friends here were surprised, and her mother was much disappointed for the young girl had been advised to wait a year before marrying.

The young widow is expected here today. Her husband died last Thursday, but the relatives here knew nothing of it until yesterday.
